

PMSA customer scoops Awards

On 6 November, the Concrete Masonry Association Award Ceremony took place at a gala function in Johannesburg.

The bi-annual Award is held in recognition of excellence in pre-cast concrete and concrete products, in which one of the categories is Paving Products.

The outright winner in this category was a Cape Town-based joint venture, CEL Paving Products/Cape Brick JV, who took both National and Regional Awards.

As Walter Ebeling, Managing Director of Pan Mixer SA says proudly, "We are extremely proud that one of our customers won most of the awards in the Paving Products category."

He adds, "The joint venture with Cape Brick and the combined project won an Award for their Wet Cast Product line, viz the Pavatile product line."

The projects that won the Paving Products section were The Curzon in Constantia, Cape Town: Coastal Award winner, [Residential], with PlazaBloks, PlazaQuartet blocks and

Beaming with pride, on the left is Walter Ebeling, Claude Gorgulho (CEL), Anthony Gracie [Cape Brick.]

Lava kerbs and channels, and Market Square in Hermanus: National and Regional/Coastal Award winner [Roads], with PlazaBloks, PlazaQuartet blocks, Classic Cobble and Lava kerbs and channels.

The winning company has a VB1 machine and a VB4X machine. Walter states with satisfaction, "The bonus is that they only used PMSA equipment in the manufacture of their products."

Walter concludes, "We congratulate CEL Paving Products/Cape Brick JV and are proud to be associated with such a professional company and equally proud that they are one of our clients."
